

Moonee Valley Racing Club

CARLTON DRAUGHT
COX PLATE

11th June 2003

"We have built up a very good relationship with DIB over the years. We are happy with the level of service. DIB has helped us to create a master plan which is being achieved over time at a rate which fits out budget. DIB has helped us document the broadband system, we now have very accurate drawings. Now they are kept fully up to date. We are very happy to recommend them to other organizations needing similar work."

Should you have any queries, I can be contacted on 9373 2257.

A handwritten signature in blue ink that reads "Jeff Woolley".

Jeff Woolley
