D.I.B Australia  
9 Percy Street  
Heidelberg West 3081

Dear Sam,

I just wanted to thank you once again for the work that D.I.B has performed at Berwick Secondary College. We have found your reputation, good pricing and flexibility to be defining factors as to why we have chosen you over other AV service providers.

On our most recent installation you provided me and other faculties within our school with a comprehensive service and presented many options for our consideration, while at the same time providing the best possible advice for each rooms AV needs.

The technicians, Matt and Jason were prompt and completed the installation on time and we are happy with all aspects of the job and follow up service. I would not hesitate to recommend D.I.B. to others considering the same.

Best regards,

Kelly Beattie
