

CAMBERWELL PRIMARY SCHOOL

23rd of November, 2007

To the staff at D.I.B Australia,

I write to thank you for the projector system installation works completed at our school this year in both our art and staff meeting room. Having used your company numerous times over the last few years we are happy with the products and services offered to us. Solutions Consultant Sam Garden has been a fantastic advisor and always willing to offer timely advice. The production and installation teams worked well in getting the works done and the technicians' Andy and Grant were both polite, helpful and cleaned up after the installation. I would be happy to recommend your services to others.

Kind regards,
