

MELBOURNE

RACING CLUB

12th November, 2007

To the team at D.I.B,

I would like to thank you for the recent cable works done in preparation for the Spring Racing Carnival at Caulfield Racecourse 2007. We have used D.I.B for quite a few years now and are very happy with the service provided and have always found the staff easy to work with. The scheduling managed by Melanie Garden worked really well, including the late changes and movement of cabling between the three race days. Technician Trevor Wilkinson who was on site for the job was easy to work with, professional and had a no-fuss approach. I would be happy to recommend them to others.

Many thanks,

Matt McTaggart
