To whom it may concern,

I am writing to thank you for the recent classroom projector installation completed at Moomba Park Primary. We chose D.I.B to take part in the installation based on their good pricing and a referral from another party. I was very happy with the way in which all aspects of the job were performed, from the initial consulting process to the actual works themselves. I would be happy to recommend D.I.B's services to others looking for a complete Audio Visual installation.

Best regards,

A handwritten signature in black ink, appearing to read 'Tony Privitelli', with a stylized flourish at the end.

Tony Privitelli  
Assistant Principal  
Moomba Park Primary School
