

Have you purchased Interactive Whiteboards such as Smartboard®, Teamboard® or Promthean® in the past?

Consider the revolutionary advantages of the new generation of Interactive Whiteboards!

- It is a touch surface ceramic steel whiteboard
- Use normal whiteboard markers without fear!
- Wider than other Interactive Whiteboards at 2.4m
- No special software needed, works with any PC or Mac.

2Touch offers a truly unique Interactive Whiteboard

Call us today on (03) 9457 4800 for a free demo!
