

Top 5 Benefits

CORPORATE TRAINING

- ✓ *Save money*
 - You could buy 5 mimios for the price of one electronic whiteboard or copy board
 - On-line collaboration and application sharing reduces T&E expenses associated with attending remote or off-site meetings.
- ✓ *Save time*
 - mimio eliminates cost of having someone recopy or type whiteboard/flipchart notes into a computer after the meeting
 - Since mimio provides an electronic record, there's no need to carry flip charts back to the office
- ✓ *Increase productivity during and after meetings*
 - Training/meeting attendees can focus on brainstorming and solving problems instead of taking notes
 - Attendees don't have to wait for meeting notes so they can begin working on action items as soon as they get back to their desk
 - Everyone leaves the room "on the same page," leaving little to no room for personal interpretation of information, agreed upon issues, action items, etc.
- ✓ *Portability*
 - mimio is lightweight, compact and fits in most computer bags or briefcases
 - mimio can be shared between offices, meeting and conference rooms and/or transported to different locations
 - mimio is also powered by the computer eliminating power/electricity issues
- ✓ *Retrofit solution*
 - mimio works with existing standard whiteboards (up to a 4x8) and flip charts (up to a 4x4)
 - No need for investment in additional equipment
