What's Included:

- 1 ceramic steel mimioBoard by Gilkon.
- 2 mimioBoard Stylus Pens.
- 4 Stylus colour "smartCaps" (black, green, blue and red) for interchangeable colour assignment of Pens.
- 4 dry-erase markers (black, green, blue and red).
- 1.5 metre USB cable.
- 1 mimio eraser and holder.
- 1 mimioMouse plastic insert.
- 1 wall mounting kit (including screws and pen tray).
- 1 mimio software CD (with User Guide printable PDF file).
- Batteries for Stylus and eraser.

Installing mimio Software on your Computer

Install the software from the CD included in the box.

Click on "mimio" under "Install Software". The software is free and can be downloaded from www.mimio.com

Once the software is installed, the User Guide is easily accessible, and can be used for the remainder of the installation. It can also be found by going to Run **D:\Eng\getting started - mimioboard.pdf** OR downloading it directly from www.mimio.com

Ceramic Steel Writing & Projection Surface

This is a premium writing surface with a lifetime warranty. Gilkon utilises a unique specification that allows projectors to be used on the board. There is no "hot spot" or glare that many boards reflect when projected upon.

Optional Accessories and Additional Software

Floor Stand - turn mimioBoard into a mobile solution with this stand (included castors).

mimio classRoom - deliver whiteboard notes in real-time with up to 30 networked PC's.

mimio boardCast - record your voice synchronously with whiteboard notes.

Additional mimio Stylus Pens - 8 colours available.

mimio wireless - no more cable required between the board and computer. mimio wireless module utilises a radio signal to communicate. AC Power adaptor included with this kit.

Maintenance Tips

1. Use only whiteboard markers or mimio pens on the whiteboard.
2. Do not use any abrasive cleaners.
3. Do not locate your board in sunlight or near air-conditioning.
4. Clean the writing surface after removing blue protective film.
